School Information

Introduction

Welcome to South Miami Heights Elementary School. We are an “A” school. We have prepared this handbook so that we may create a better relationship between the school and home. Please take time to read this handbook thoroughly.

Agenda/Planner

Each student is expected to have an Agenda/Planner so that the school will be able to communicate more effectively with you during the 2018-2019 school year. Students will carry the Agenda/Planner to school every day so that teachers may share written comments with you and also highlight events concerning your child. You are to review the planner with your child each day. Please make sure you sign it daily and follow up on any comments/requests made by the teacher. You should also bring the Agenda/Planner with you to any and all Parent/Teacher and/or administrator conferences so that proper notes may be kept of such meetings. This will help to establish open lines of communication between the school and parents.

The Agenda/Planner is provided at no charge to parents. In the event the planner is lost, however, there will be a \$3.00 replacement cost charged to you. Again, please make certain to review the Agenda/Planner at the end of each school day. Sign it and send it back to school with your child the following day.

- **Early Sign Out**
The early release of students causes disruption to the academic performance of all students and may create safety and security concerns. No students shall be released within the final thirty (30) minutes of the school day unless authorized by the Principal or Principal's designee (i.e., emergency, sickness).
- **Late Arrival**
Students who are tardy to school must report to the Attendance Office to secure an admit. Excessive tardies may result in loss of privileges, detention, parent conference, and/or suspension.
- **Lost and Found School Policy**
All items that have been lost will be stored in the Main Office.
- **Opening and Closing Hours of Schools**
The Main office will open from Monday-Friday from 8:00 a.m. to 4:00 p.m.

The information presented in this document is derived from requirements set forth by Florida Statutes, State Board of Education Rules and Policies established by The School Board of Miami-Dade County.

Before/After School Care Program & Middle School Enrichment After School Program

For those parents considering going back to work and/or are presently working, there are 224 low cost Before and After School Care programs that serve both Elementary and K-8 Center students and 62 Middle School Enrichment After School programs that help tutor middle school students throughout the Miami-Dade County School district. Each of these programs are staffed with state certified instructors, state certified program managers, or state certified activity leaders who are all prepared to enrich and expand the after-school experience of the students they serve.

This year, Miami-Dade County Public Schools will offer 286 After School programs on school days. Before-school care programs will be provided as needed.

After-school care programs are conducted from the time of school dismissal until 6:00 p.m. Before-school care programs begin approximately one hour before school starts. Summer Camp operates from 7:00 a.m. until 6:00 p.m. Parents should check with their child's school for specific start times.

All after-school care programs provide planned activities, which include homework assistance, indoor and outdoor games, arts and crafts, snack time and various recreational activities. Many programs offer reading and math tutoring, music, ceramics, chess, drama and other classes designed to provide participants with a variety of educational and enrichment experiences. Before-school care programs provide supervised, quiet activities for students.

The cost of Elementary and K-8 after school care is \$40 per week; the cost of Middle School Enrichment after school care is \$40 per week; the cost of before school care is \$20 per week and

MIAMI-DADE COUNTY PUBLIC SCHOOLS PARENT/STUDENT HANDBOOK

the cost of Summer Camp is \$100.00 per week. These programs are offered by one of seven providers:

- Miami-Dade County Public Schools Principal Operated Before After-School Programs
- Young Men's Christian Association (YMCA)
- Young Women's Christian Association (YWCA)
- Family Christian Association of America (FCAA)
- Sunshine After-School Child Care (SASCC)
- South Florida After-School All Stars (SFASAS)

Bring Your Own Device (BYOD)

Bring Your Own Device allows students, parents, staff and guests to use their own technology during the day to enhance the learning experience. Examples of the types of technology which can be used are Windows laptops/tablets, Mac laptops, Android tablets, and iPads.

Closing of School

The emergency closing of a school for any cause, such as weather or in which the safety of individuals may be endangered, is only at the discretion of the Superintendent of Schools.

Community School Program

The Community School Program offers an opportunity for the public-school system to determine the needs of the community and provides a mechanism to meet those needs. The curriculum of the Community School Program is as wide and varied as the needs of the community it serves. Community schools provide programs that are funded by fees, tuition, grants, and donations, on community school sites, in adult centers, in satellite programs, and at off-campus, non-public school locations throughout Miami-Dade County.

Each of the 39 Community Education Centers offer classes for individuals of all ages, skill levels and language capabilities. Students enrolling in language or computer classes have the opportunity to enhance the job skills needed to satisfy the demands of today's world. Annually, thousands of people have taken advantage of these recreational and educational opportunities, and if an individual or group wants to acquire a specific new skill, Miami-Dade County Public Schools can work with each to create a class that suits the needs of all interests.

For more specific information on Miami-Dade County Public Schools Community Education and Before and After School Care programs or Middle School Enrichment After School programs, please log on to our website at www.dadecommunityschools.net or please call Mr. Victor Ferrante, Executive Director at 305-817-0014.

Safety and Security

- **Code Yellow/Code Red**

In the event of an emergency, the primary responsibility of all school personnel is to provide for the safety of all students. In the event a school administrator announces a possible threat to students and staff safety exists within the community (Code Yellow), or an imminent threat to students and staff safety exists within the school (Code Red) students, faculty and staff will comply with all the procedures outlined in the Miami-Dade County Public Schools Critical Incident Response Plan and remain on lockdown until a school administrator makes an “All Clear” announcement.

- **Emergency Operations Plan**

Student and employee safety is a primary concern of the Miami-Dade County Public School (M-DCPS) System. The Emergency Operations Plan (EOP) was created to provide

MIAMI-DADE COUNTY PUBLIC SCHOOLS PARENT/STUDENT HANDBOOK

school personnel with the necessary leadership skills and knowledge needed to respond to critical incidents or other related emergencies that may occur in our schools/community. All schools have a site-specific plan to address all types of critical incidents. These plans address the individual needs of the school and provide guidelines for devising methods for communicating with the staff, students, parents/guardians, and the media during a critical incident or an emergency. Some of the protective action procedures include the evacuation of students/staff from the building(s), evacuation of the disabled and if necessary the relocation of students/staff from the school campus, lockdown procedures and holding/dismissing students during school and community emergencies. Some important tips for parents/guardians to remember during a Critical Incident are as follows:

- Remain calm;
- Monitor media outlets for updates and official messages from M-DCPS;
- Do not flood the school with telephone calls; and
- If the school is on lockdown, wait until the lockdown is lifted before going to the school.

All school administrators, Region Center Superintendents/Directors and all M-DCPS Police officers have been adequately trained in the school EOP and are prepared to respond immediately during a critical incident or emergency to provide safety for all children.

BeSafe Anonymous Reporting System (Insert Flyer)

- **Fire Drills**

Ten fire drills will take place during the school year according to the Miami-Dade County Public Schools Policy and Emergency Procedures. At the sound of the emergency bell, students must stop what they are doing and follow the teacher's instructions. Students must clear the building promptly by the prescribed route. Any student who is in the hallway or the restroom at the sound of the emergency bell must proceed to the nearest exit and locate the teacher. Students, teachers and staff must remain outside the building until permission is given to re-enter.

- **Visitors**

Due to legal regulations, students are not permitted to have guests attend school with them at any time. Parents/guardians are always welcome and tours may be arranged to view the school. Classroom visits require a 24-hour notice. Visitors must first register with security at the main entrance, sign-in, produce photo identification, and then proceed to register in the main office. Anyone who fails to follow these procedures will be considered a trespasser and is subject to arrest.

School Activities/Clubs

MIAMI-DADE COUNTY PUBLIC SCHOOLS PARENT/STUDENT HANDBOOK

All School Activities, clubs, and organizations must be approved by the principal and conform to the district policies 5845 - Student Activities, 5830 - Student Fundraising and 9211 – Parent Organization, Booster Clubs, and Other Fund-Raising Activities.

- **Clubs**

Miami-Dade County Public Schools' students may participate in a wide variety of activities, including student council, subject-area clubs, honor societies, service clubs, school publications and class activities. School-sponsored clubs may be curriculum-related or noncurricular-related.

Curriculum-related clubs are student groups whose goals are an extension of the activities and objectives in a particular subject area within the school's curriculum. Conversely, noncurricular-related clubs are student groups whose goals are special interest oriented and not directly related to the curriculum. Meetings of noncurriculum-related clubs may be scheduled only at times when instruction is not taking place, either before or after school.

School Class Picture Process

The school class picture monies will no longer be collected by school staff for this activity. Collection of monies will be conducted by the photographer and/or photographer's staff.

At no time, shall a staff member, parent, volunteer, or member of a school-allied organization such as the PTA handle school class picture monies.

School Transportation

Miami-Dade County Public Schools will transport more than 60,000 students a day this school year, using a fleet of 1,300 buses on nearly 1100 school-bus routes. The service is for students who live more than two (2) miles from their assigned school and for special needs students.

Before school begins, parents/guardians of all students eligible for bus transportation will receive a post card from the school district identifying the student's bus stop and times of pick-up and delivery. Information on student bus assignments will be posted on the Parent Portal at www.dadeschools.net. The information on bus assignments on the [Parent Portal](#) is updated each night. Parents/guardians are encouraged to check the Parent Portal throughout the school year to obtain the most current information on their children's bus assignment.

Parents interested in determining their child's transportation eligibility should contact their child's school for information.

Special Education

The School Board of Miami-Dade County ensures that all students suspected of having a disability are identified, evaluated, and provided appropriate, specially designed instruction and related services, if it is determined that the student meets the state's eligibility criteria and the parent/guardian consents to initial placement.

MIAMI-DADE COUNTY PUBLIC SCHOOLS PARENT/STUDENT HANDBOOK

As the parent/guardian of a child with disabilities, you are a very important member of the team that plans your child's education. Be informed and get involved. If you have any questions, please contact your child's school. Staff from the special education department and your child's student service provider will help to answer your questions. Additional information may also be found at <http://ese.dadeschools.net/>.

Student Records

Parents, guardians and students are protected by The Family Educational Rights and Privacy Act and the Florida Statutes from individuals' access to information in students' educational records and are provided the right to challenge the accuracy of these records. These laws provide that without the prior consent of the parent, guardian or eligible student, a student's records may not be released, except in accordance with the provisions listed in the above-cited laws. The laws provide certain exceptions to the prior consent requirement to the release of student records, which include, but are not limited to, school officials with a legitimate educational interest and lawfully issued subpoenas and court orders.

Each school must provide to the parents, guardians or eligible students annual notice in writing of their right to inspect and review student records. Once a student reaches 18 years of age or is attending an institution of post-secondary education, the consent is required from the student only, unless the student qualifies as a dependent under the law.

A student enrolled in an Advanced Placement (AP), International Baccalaureate (IB), or Advanced International Certificate of Education (AICE) course who takes the respective AP, IB, or AICE assessment and earns the minimum score necessary to earn college credit, as identified in s. 1007.27(2), meets the requirements of this paragraph and does not have to take the EOC assessment for the corresponding course.

Student Services

The program structure supports educational reform initiatives and takes into consideration current social climate and the unique issues faced by the multicultural/multilinguistic populations enrolled in Miami-Dade County Public Schools.

Student Success Centers

The Student Success Centers provide an educational setting and safe-haven for referred students (ages 11 and older) exhibiting Level III-IV behavior and (with Region approval) habitual Level II infractions of the Code of Student Conduct.

Verifications of Residency

If verification is not provided or acceptable, the Superintendent may verify the student's residence.

Anyone who knowingly makes a false statement in writing with the intent to mislead a public servant in the performance of his/her official duty is guilty of a second-degree misdemeanor of the second degree under [F.S. 837.06](#). In addition, anyone who knowingly makes a false verified declaration is guilty of perjury, a third-degree felony under [F.S. 95.525](#).
