Our School Improvement Plan (SIP)

- Our School's Mission Statement

Our mission at South Miami Heights Elementary is to create a positive learning environment that empowers students, staff, parents, and community to pursue literacy, knowledge, and life skills that will prepare our students for the challenges and expectations of the twenty-first century. "It Takes a Whole Village to Raise a Child." Building upon this concept, each student's strengths and abilities will be nurtured through the following four components; Promote literacy throughout the school and foster life-long readers. Cultivate students' self-esteem by providing opportunities where they can contribute their cultural values and traditions to their school and community. Implement a school-wide technological program that includes critical thinking, writing and problem-solving strategies. Develop students' personal responsibility to promote decision-making in daily life. By implementing these components, we envision a school in which students are active learners, positive thinkers, and proud citizens of their global village.

- Our School's Goal for 2019-2020

ELA: From 57% to 62%

Math: From 68% to 70%

Science: From 51% to 61%

Our School Achievement Data

Using the Data Driven Dialogue Protocol, SLT's will analyze the School Culture and Academic Programs Data Maps (i.e. student level data, teacher level data, and parent level data) and discuss findings. Within the Data and Systems Review Organizer, classify data findings into the second column titled: "Data Findings & Area" based on their appropriate rating. Significantly Improved Data Findings, Neutral Data Findings, Significantly Decreased Data Findings. Within the Data and Systems Review Organizer, input a rationale for each data finding into the third column titled "Rationale for Selection of Data" for School Culture and Academic Programs. With the Data and Systems Review Organizer, the SLT's will review each data point selected and after the Systems Review will determine which Essential Practices contributed the most or had the greatest impact for each data finding (positive, neutral, and/or negative). The School Leadership Team will enter the Essential Practices for each data finding.

- Our school uses data to align the curriculum to State and District academic standards.
- Our instructional practices are adjusted based on the findings of the assessment data.

School-Parent Compact

- Each Title I school must have a School-Parent Compact that is developed jointly by parents and school personnel.
- The compact sets out the responsibilities of the students, parents, and school staff in striving to raise student achievement.
- At the elementary grades (K- 5 only), the compact should be discussed and amended during parent-teacher conferences and documented in a teacher communication log.

The School-Parent Compact was reviewed on 9/4/19 with parents and Mrs. Alfonso. School-Parent Compact will be provided to the Parents at the Title I Orientation Meeting.

School and Parent Collaboration

- Our school offers workshops, trainings, and parent/teacher conferences at flexible meeting times **All scheduled workshops is posted on the Parent Resource Center door and flyers are sent home monthly to remind parents of the upcoming workshops** and a Parent Resource Center/Area;
- School and parent partnerships are built within advisory councils such as the Educational Excellence School Advisory Council, District Advisory Council (DAC) and Parent Advisory Council (PAC);
